

Star of Hope Update

Progress! The repair & stabilization of the Star of Hope building continues. The alarm and temperature sensing equipment has been installed and the assessment of the other properties, now owned by the Foundation, is well underway. You will notice that the pedestrian tunnel along Main Street has been removed, and the sidewalk is accessible.

Join us for the 3rd Community Meeting on October 17, 2019 at The Union Church from 5-7 p.m.

Please join the Star of Hope Foundation Board Members, all of whom will be present and engage in a discussion and Q&A about topics the community has asked to hear more about, including how Foundations operate; how the Star of Hope Foundation was formed and plans to operate; and what the community would like to see regarding future opportunities as they relate to the Star of Hope Foundation's mission which is: ***to promote education of the visual arts through various means including exhibitions, a museum, artist-in-residence programs and other outreach endeavors.***

The Community Survey should have reached you by now. If you wish, you can access the survey online:
