

Star of Hope Update

Please join us tonight, Oct 17th, at The Union Church from 5-7 p.m. for the 3rd Community Meeting of the Star of Hope Foundation.

Meet all four of the Star of Hope Foundation Board Members who will join us at the Community Meeting for a discussion and answer questions about topics the community has asked to hear more about, including:

- how Foundations operate in general
- how the Star of Hope Foundation will operate
- & what the community would like to see regarding future opportunities as they relate to the Star of Hope Foundation's mission.

The Mission of the Star of Hope Foundation is to promote education of the visual arts through various means including exhibitions, a museum, artist-in-residence programs and other outreach endeavors.

There was a mix-up with some of the mailing addresses when the survey was mailed out initially. We sincerely apologize for this, but want everyone to know that there is only one, generic survey and it asks for no personal information. By now, all households should have received the survey. Everyone's voice is important in this effort, and you can also access the survey online. <http://survey.portlandresearch.com/STAROFHOPE/>
