

## Star of Hope Update

***Happy New Year from the Star of Hope Foundation!***

The Mission of the Star of Hope Foundation is to promote education of the visual arts through various means including exhibitions, a museum, artist-in-residence programs and other outreach endeavors.

With this mission in mind, our 4th and final community meeting is planned for January 23, 2020\* at the Vinalhaven School from 5:00-6:30 p.m. We will provide updates and share the results of the community survey. Over 200 people participated in the survey—thank you! The comments and suggestions will help guide us as we move forward meeting the mission of the Foundation.

Please join us at this final meeting in the school auditorium, followed by a community supper in the cafeteria provided by the Foundation.

\*The rain/snow date for this meeting is January 30<sup>th</sup>. Visit our website for details of the meeting.
