

## Star of Hope Update

The Star of Hope Foundation salutes Vinalhaven School's art and music department as they prepare to take 18 students to Boston to experience the arts in such a culturally enriched environment.

We are proud to be one of the sponsors of this trip, during which students will have a guided tour of the Museum of Fine Arts; sit in on a rehearsal of the Boston Symphony Orchestra; tour both Mass College of Art and Design & Berklee College of Music; visit historic Faneuil Hall (founded in 1742 as a central marketplace for fishermen & farmers); and of course, experience the art of maneuvering the oldest public transportation system in the country, the MTA.

Hats off to Heather White and Bill Trevaskis for arranging this trip. We hope it's a wonderful experience for all the students, and we look forward to hearing about it when you return.
