

Star of Hope Update

The Mission of the Star of Hope Foundation is to promote education of the visual arts through various means including exhibitions, a museum, artist-in-residence programs and other outreach endeavors.

The Star of Hope Foundation was very pleased to help sponsor the recent Vinalhaven art & music field trip to Boston. The students visited the Museum of Fine Arts; sat in on a Boston Symphony rehearsal; toured Massachusetts College of Art & Design & Berklee College of Music; and enjoyed several days in the city. Many thanks to Heather White and Bill Trevaskis for organizing the trip and accompanying the students.
