

Star of Hope Update

The mission of the Star of Hope Foundation is to promote education of the visual arts through various means including exhibitions, a museum, artist-in-residence programs and other outreach endeavors.

The Star of Hope Board has made the decision to shut down stabilization efforts at the Star of Hope building for at least the next two weeks in an effort to protect the workers as well as island residents during the CO-VID 19 outbreak.

This is not a decision made lightly, but it is the right choice for the community and for those working on the building.

The Star of Hope team will continue to closely monitor the situation and resume work as soon as possible.

We appreciate your support and will continue to be a good community partner as we all work together.

Thank you. Stay safe and well!

Star of Hope Board
